"Dear valued buyers and mandates:

We would like to inform you of the current business structure for metal deals. Due to the rapid increase in LME prices on a daily basis, we kindly request that you follow the guidelines below:

1. Please note that our Sales and Purchase Agreement (SPA) may not be valid until the end of the month or strictly follow validity period.
3. The entire process of trial order documents and delivery may take approximately 20- 35 days or more.
4. It is challenging to maintain the same price mentioned in the SPA for the main order quantity. Therefore, we propose a discount structure based on the current LME price and cooperation in this matter.

Thank you for your attention to this notice. Best regards,

MAJOR METAL DISTRIBUTOR

SPECIAL NOTE FOR RECOMMENDATION OF CFR OPTION:

While the pricing includes insurance coverage for the goods during transportation, we strongly recommend that you consider obtaining insurance cover for security and peace of mind from the country of destination.

Given the inherent risks associated with international transportation, having comprehensive insurance coverage from the destination country and that to from an agency with which the Buyer is comfortable and assured, safeguards against unforeseen circumstances.

The associated charges incurred related to the insurance cover can be deducted from the total payment that the Buyer is required to remit to us. This streamlines the process and ensures that you receive comprehensive protection for the goods without any hassle.

Please feel free to reach out to us should you have any questions or require further assistance regarding this matter. We are committed to facilitating a smooth and secure transaction process for you.

Bank instrument verbiage definition.

Most of the buyer share LC blank draft, which is not a legitimate verbiage.

The Verbiage shared by the Buyer needs to include some basic information, major of which are listed below;

1. Issuing Party Name
2. Beneficiary's Name
3. Value mentioned on it as per Performa invoice.
4. In Clause 42C; mention 90 days after BL. Clause 49: Mention "CONFIRMED".
5. Most important thing is to check with the Issuing Bank, whether they have a CREDIT LINE /RMA with Beneficiary' Bank.

Relationship Management Application (RMA) is a service provided by SWIFT to manage the business relationships between financial institutions.

Without this relationship any bank instrument (LC/DLC and SBLC) not acceptable to the Beneficiary Bank.

Please take of care this before planning to or issuing any bank instrument to the Seller's Designated Bank.

FCO definition.

1. FCO= FULL CORPORATE OFFER (Issued by Seller).
2. No legal binding documents.
3. Seller informs to the buyer about the price, payment terms and transaction procedure.
4. There is no need to sign on it if you are not accepting the information provided on it.
5. Buyer shares their LOI or ICPO as per their requirement and acceptability of terms and procedures. Seller will either accept it or not, but no modification is acceptable on the shared documents.
6. In the same manner FCO shared by the Seller is information for review only, by the Buyer. Modifications/Amendments on a FCO is not acceptable. It's a standard business norm, which applies both ways for Seller and Buyer as well.
7. At SPA stage Buyers have the choice to modify/amend the SPA.

FOREWARNING FOR THE TT PAYMENT TERMS:

We have mentioned in the FCO/SPA that all bank instruments are received as a bank guarantee or for booking of the orders. The payment from the Buyer should be released via MT-103 TT after sharing of the set of shipping documents to the buyer within 3-5 business days.

With regards to it, we want to inform all our respected buyers as follows.

1. Seller issues and is bound for 2% PB to buyer after receiving operative bank instruments.
2. Accordingly, the buyer is also bound to release the TT payment as per SPA terms.
3. If buyer does not perform as per the terms, we as a seller can callback the PB released, by instructing our bank and also levy 2% penalty on the **COMMERCIAL INVOICE AMOUNT.**
4. Seller is free to take decision whether to give the said goods to the buyer or not.
