STANDARD OPERATING PROCEDURE (SOP)

1. - Buyer issues LOI + Signed FCO + POF (can be provided upon arrival in Tokyo if Buyer has technical difficulty sending with LOI)
2. - Seller issues Invitation Letter
3. - Buyer meets with Seller in Tokyo
4. - Seller invites Buyer to his bank at MUFG for curtesy meeting with his bank officer
5. - Buyer shows POF to Seller
6. - Seller invites Buyer to Mitsubishi warehouse in Tokyo for gold inspection (ONLY ONE person is allowed for the inspection of gold, either Buyer himself or his Representative). Buyer can bring his own gold assaying equipment to check the purity.
7. - upon satisfaction of the Inspection, Bank to Bank transaction is executed at Seller's Bank. Buyer makes payments in MT103 Cash Transfer (T/T) and Ownership is transferred to Buyer.
8. - gold can be delivered to refinery of Buyer's choice in Japan for smelting and hallmarked at Buyer's cost.
9. - gold can be moved to a security warehouse in Japan for safe keeping (Seller can assist on booking the warehouse, buyer pays warehouse charges)
