

VOPAK-to-VOPAK EN590 / New provider

Price Per Metric Ton: GROSS \$665/ NET \$655 MT.

Procedure

1. Buyer issues an ICPO stating product, quantity, price acceptance, and registered VOPAK tank details, or Vopak name.
2. Seller issues Commercial Invoice (CI); Buyer signs, stamps, and returns within 24 hours.
3. Seller provides Authorization for direct Terminal Manager-to-Terminal Manager verification within the VOPAK system
4. Buyer's VOPAK Terminal Manager submits VOPAK Agreement/Reference and Bar code to complete terminal coordination.
5. Buyer fulfills all VOPAK terminal protocol and compliance requirements.
6. Seller issues full POP to Buyer's Terminal Manager; upon validation, product injection commences.
7. Upon injection completion, Buyer remits full payment via MT103 TT; Seller transfers title immediately upon confirmed receipt of funds.
