## Inspection and Loading Port Procedures

### Inspection

-Supervision by SGS or its equivalent: Supplier shall ensure that each shipment has an inspection certificate for the amount and quality of loading and at Supplier's expense to demonstrate that the goods are in good order and meet the specifications set forth in this Contract.

- Each shipment shall be accompanied by an animal quarantine certificate issued by the Ministry of Health, certifying that the product is human edible when loaded and shall be considered final product.
- Supplier shall instruct such authorities to conduct inspections strictly in accordance with SGS's International Chamber of Commerce (I.C.C) rules and to provide a report on packing conditions.
- SGS, CCIC must pass the complete inspection described in the previous item and issue a certificate immediately certifying that the shipment of the assessed frozen chicken PAW, FEET and MJW conforms to the description, quality, weight, packaging and is shipped in accordance with the time and place of loading.
- CCIC: CCIC (China Certification & Inspection Group)
- SGS, CCIC shall be designated by the supplier at their own expense, SGS shall check the weighing quality inspection, packaging, and certify that the frozen chicken PAW, FEET and MJW have been correctly weighed, inspected, packed and loaded into the loading point.
- The quality, quantity and weight of the products inspected by SGS and CCIC from the port of loading shall be borne by the supplier. Each batch of food and hygiene safety must meet Chinese standards.
- Suppliers shall conduct inspections strictly in accordance with the rules of the International Chamber of Commerce (I.C.C.)
- The seller is responsible for providing true and valid test results of the loaded cargo at the port of loading.
- The supplier is responsible for customs clearance at the port of loading and issuance of export documents.

#### Load Port Procedures and Terms:

- Monitoring and inspection: In order to ensure that the "parties" better perform the contract, the product is inspected and monitored from the port of loading until the goods leave the port of loading on time. Documents such as quality, quantity, certification and shipping orders will be inspected and monitored in real-time in the form of video and photos through social media.
- Delivery should be CIF price (cost, insurance and freight), product should be shipped to destination port (max: 3 different ports), all chicken PAW, FEET and MJW should be delivered in refrigerated container, order will be shipped from origin port
- Upon notification to all designated "Parties", the Seller ship before the date agreed in the Sales and purchase agreement, but not later than the agreed date, unless approved by the Buyer.
- Delivery shall be made within the time specified on the invoice and adjusted to the quantity of the purchased product.
- All deliveries must be made to Buyer or Buyer's assignee.
- The Customs of the People's Republic of China now requires that before the goods exported from the country of origin to China are transported at the port of loading, nucleic acid testing must be carried out by the relevant competent authorities of the country of origin. The results of the test report must be provided to the buyer, and all positive reported shipments are not permitted for shipment.

#### Payment Procedure:

- Buyer issues Purchase Order.
- Seller accepts and signs the P/O.
- Seller and Buyer exchange copies in electronic format
- The Buyer proceeds to establish the Letter of Credit Irrevocable, transferable, self-revolving with its full value order. A draft of the Letter of Credit should be sent to the Seller for review and acceptance.

- Seller will advise if all clauses are accepted or amendments are required upon consultation with their bank.
- The Buyer should amend the draft Letter of Credit and get final approval from Seller before issuing the Original Letter of Credit.
- Seller will wait for the approved Letter of Credit to be received by its bank.
- Seller proceeds to load the order quantity within 20 days and advise the shipment details to the Buyer.
- Seller will submit the original documents to its bank and one set of copies of the same to the Buyer to review and initiate payment process.
